

Notice of Intent to Add Cage-Free Egg Market Quotations

In response to changing needs within the egg market, particularly as it relates to legislative and corporate commitments for cage-free egg production—the first of which go into effect January 1st, 2022—Urner Barry is pleased to announce the following addition to its existing shell-egg market offerings:

Effective date: On **December 1st**, Urner Barry's will be adding:

- Large White Cage-Free Graded Loose
- Large Brown Cage-Free Graded Loose

Urner Barry - Cage-Free
