Urner Barry by Expana regularly solicits feedback from stakeholders to ensure that our coverage reflects current trading conditions and practices. On December 2, 2024, Urner Barry by Expana proposed changes to our Asia Pacific Beef market coverage and sought industry feedback on those proposed changes. The comment period has now closed. To improve market transparency and to provide stakeholders with meaningful information, Urner Barry by Expana will make the following changes to its Asia Pacific Beef Report market coverage.

**The following items will be added:**

- 75% CL Boneless Beef, (CIF China, CIF Korea, CIF Japan)
- Chuck Rolls (Grass/Grain Fed), (CIF China, CIF Korea, CIF Japan)
- Beef Tongue (Grass Fed), CIF Japan
- 85% CL Boneless Beef, FAS Australia (AUD/kg)
- 65% CL Boneless Beef, FAS Australia (AUD/kg)
- Knuckles (Cow/Steer), FAS Australia (AUD/kg)

**The following item is to be edited:**

From: Point Off Brisket Cow/Steer

To: Point End Deckle Off (PEDO) Brisket Cow/Steer

**The publishing date is to be modified:**

From: 0800 Queensland time every Friday

To: 0800 Queensland time every Saturday

This latest change further expands Expana's initiative to provide market transparency in the Asia Pacific Beef market. The Asia Pacific Beef methodology document posted at [www.expanamarkets.com/our-methodology](http://www.expanamarkets.com/our-methodology) will be amended to reflect these changes, which will go into effect on Jan 1, 2025.
