

Brazilian beef exports to China methodology change notice

Posted: June 26, 2024

Expana regularly solicits feedback from stakeholders to ensure that our coverage reflects current trading conditions and practices. To improve market transparency and to provide stakeholders with meaningful information, On May 22, 2024, Expana proposed changes to its Brazilian Beef Exports to China market coverage and sought industry feedback on those proposed changes. The comment period has now closed. To improve market transparency and provide stakeholders with meaningful information, Expana will make the following improvements to its Brazilian beef exports to China market coverage effective July 1, 2024.

The following item will be **added**:

<i>Item</i>	<i>Reason</i>
Eye Round	Eye Round is a relevant item in this trading route, commonly traded alongside the other round cuts.

This latest change further expands Expana's initiative to provide market transparency in the Brazilian beef exports to China market. The methodology document posted at www.expanamarkets.com/our-methodology will be amended to reflect these changes.
