

Mexican beef export market change notice

Posted: November 22, 2024

Expana regularly solicits feedback from stakeholders to ensure that our coverage reflects current trading conditions and practices. To improve market transparency and provide meaningful information, Expana is requesting feedback on the following proposed changes to its Mexican Beef reporting methodology:

The following new items are proposed for inclusion in the Mexican Export Beef market report to be **added**:

<i>Item</i>	<i>Reason</i>
167A 4 Knuckle, Pld 168 3 Inside Round 184 3 Top Sirloin Butt, Bnls	These cuts are proposed for inclusion due to increased demand in the Mexican market, providing consistent and sufficient information for accurate pricing and coverage, following established methodologies.

Stakeholders can provide input on the proposed changes during a comment period, which will take place from November 22, 2024, to December 6, 2024. Remarks will be published on Expana's market reporting methodology page at www.expanamarkets.com/our-methodology will be amended to reflect these changes.

Following the review period, Expana's Mexican Beef Market methodology will be updated to include the changes, with intended coverage beginning on December 9, 2024.
