Urner Barry regularly solicits feedback from stakeholders to ensure that our coverage reflects current trading conditions and practices. To improve market transparency and to provide stakeholders with meaningful information, Urner Barry is requesting feedback on the following proposed changes to its boxed beef market and Certified Angus Beef coverage. We are looking at removing coverage on a few items within the boxed beef market as well as adding an item within the Certified Angus Beef market.

The proposed items to be removed within the boxed beef market are:

- 124 4 Rib, Back Rib (Frozen)
- 160 1 Round, Part Bnls
- 161 1 Round, Bnls
- 167 1 Knuckle

The proposed item to be added within the Certified Angus Beef market:

- Coulotte

The proposed items to be changed from reporting all grades within one item to only Choice coverage:

- Outside/Inside Skirts
- Cap/Wedge
- Pectoral

Stakeholders can comment on the proposed changes during a comment period which will take place from November 20, 2023, to December 20, 2023. Comments will be published on our market reporting methodology page at [urnerbarry.com/markets/methodologies](https://www.urnerbarry.com/markets/methodologies).
